

CURRICULUM VITAE August 2019

NAME: Jacalyn Mary DUFFIN

PRESENT POSITION: Professor Emerita (2017) in the Hannah Chair of the History of Medicine, Queen's University (1988-2017)

DEGREES AND FELLOWSHIPS

1985	Doctorat du 3e c. Paris-I-Sorbonne, History & Philosophy of Science (PhD)
1979	F.R.C.P.(C) Internal medicine.
1979	F.R.C.P.(C) Hematology
1979	C.S.P.Q. Hématologie
1974	M. D. University of Toronto

PUBLICATIONS:

Books: peer reviewed: single author

Stanley's Dream: The Medical Expedition to Easter Island. McGill-Queen's U Press, 2019

Medical Saints: Cosmas and Damian in a Postmodern World, New York: Oxford University Press, 2013

History of Medicine: A Scandalously Short Introduction, 2nd revised edition, University of Toronto Press, 2010

Medical Miracles: Doctors, Saints and Healing in the Modern World, New York: Oxford University Press, 2009 (released November 2008)

Lovers and Livers: Disease Concepts in History, the Joanne Goodman Lectures, 2002, University of Toronto Press, 2005.

History of Medicine: A Scandalously Short Introduction, University of Toronto Press, August 1999; reprinted 2001, 2004, 2006, 2008, 2009; Macmillan Press, UK and Europe, 2000; Korean translation, 2007

To See with a Better Eye: A Life of R.T.H. Laennec, Princeton University Press, 1998

Langstaff: A Nineteenth-Century Medical Life, University of Toronto Press, 1993. Reprinted 1999.

Books: peer-reviewed: edited

with Arthur Sweetman, *SARS in Context: Memory, History, Policy* McGill-Queen's University Press and Queen's University School of Policy Studies, 2006

Clio in the Clinic: History in Medical Practice, (ed.), Oxford University Press and the University of Toronto Press, 2005. (Also author of two chapters in this book). Selected for reissue in Gryphon Press Classics in Medicine series.

Articles or Chapters in peer-reviewed journals, conference volumes, or books:

- In progress, "The Plague Wall: Eighteenth-Century Medical Surveillance"
- In progress with Aisha Ghare, "The rate of surgical change."
- In progress, "The Yew Tree and the Crab: Making Plant-derived Cancer Drugs in Spite of Big Pharma" read at CSHM May 2019

HONOURS and AWARDS:

2019 Induction Canadian Medical Hall of Fame
2019 AAHM Genevieve Miller Lifetime Achievement Award
2013 Canadian Academy of Health Sciences, Fellowship
2012 Royal Society of Canada, Fellowship
2010 Howard S. Barrows Inaugural Teaching Award Visitor, McMaster University
2007 Distinguished International Scholar, University of Pennsylvania, April 8-20
2007 Alpha Omega Alpha Visiting Professor, University of Chicago, February 27
2005 College of Physicians of Philadelphia, Honorary Fellowship

Honours in Teaching

2018 The annual Jacalyn Duffin Conference in Medical Humanities (created MD class 2020)
2015 The annual Dr. Jacalyn Duffin Award for advocacy (created by MD class of 2015)
2015 Aesculapian Society lectureship award (chosen by med class of 2018)
2013, nominated for the R. Wigle Mentorship Award (from resident doctors).
2011, 2012, nominated for Arts and Science Teaching Awards
2009, 2001, 1999, 1992 W.F. Connell Award for Teaching Excellence, Queen's University, Faculty of Health Sciences (elected by graduating class as professor with most influence)
2006 Lectureship Award, 1st year medical class of 2009 (shared with Dr C. Reifel, Anatomy)
2006 TVO Best Lecturer Competition; top ten finalist
2005-8, 1997-98, 1996-97, 1995-96, 1994-95, 1991-92, 1990-91, Honorary President Queen's Aesculapian Society (student government)
2001 Honorary President for Life of Queen's Medical Class of 2001.
1999-2000, 1998-1999, Honorary Treasurer, Queen's Aesculapian Society
1995 Honorary President for Life of Queen's Medical Class 1995.

Honours in Research and Writing

2015 Queen's University Prize for Excellence in Research
2009 Hannah Medal presented by Royal Society of Canada for book, *Medical Miracles*
2005 *Clio in the Clinic* entered in Gryphon Classics in Medicine Series
2005 David Horrobin Prize for "Music, Memory and Alzheimer's Disease" best article in *Medical Hypotheses* 2005
2002 J.W. Estes Award, American Association for the History of Medicine, for "Poisoning the Spindle"
2001 Hannah Medal presented by Royal Society of Canada for book, *To See with a Better Eye*.
1998 National Magazine Award, Silver, Science, Health and Medicine Category, for "Medical Miracle".
1998 Canadian Nurses Association Annual National Journalism Award Magazine Category for: "Medical Miracle"

Honours In Service

2004-6 Presidency of the American Association for the History of Medicine
2001-6 Member International Advisory Group to the Wellcome Centre for the History of Medicine
UCL London

2002 Oswald Avery Medal for outstanding contributions in Medical Humanities, Dalhousie University

2000 Canadian Federation of Medical Students Friend Award for outstanding student advocacy

1999-2001 Presidency of Canadian Society for the History of Medicine

Honours in Speaking

2019 Osler Lecture, McGill University, November 6

2019 Keynote, Easter Is. – Rapamycin, Int Congress Hist, of Pharmacy, Washington DC, Sep.

2019 Sibley Lecture, Expedition to Easter Is., McMaster University, 11 April

2019 Keynote Physician-Scholars conference, MD PhD program, U Michigan, Ann Arbor, Ap 6

2018 Keynote, Easter Island—Rapamycin, Dept Microbiology, U Montreal, Nov 17

2018 Keynote, Uses of Nobel Prize, Harvard U, Boston, MA USA, Oct 4

2018 Keynote, Easter Island Expedition, Interdisciplinary Symposium, U Leicester, UK, Sep 20

2018 Keynote, Stethoscope & Frankenstein, Humanities, U Rochester, MI, US, April 18

2017 Guggenheim Lecture (Biography in medical history), Geneva Switzerland

2017 Keynote, Stethoscope, Valencia Spain

2017 Keynote, Stethoscope, University of Leeds, UK

2016 Keynote lecture (History of the Nobel Prize), U Düsseldorf, Germany, November 17

2016 Charles Edmonson Historical Lectures (on miracles and on disease concepts) Baylor University, Waco, TX, October 24-25

2015 Keynote lecture (On medicine and religion), Finland National Hist. Soc., October 24
